Ready To Spray

Hose-End

Applicator

64 ounces

Product Description

- **PROMOTE™** is a proprietary combination of trace minerals, humic acid, seaweed extract and wetting agents, that work in harmony with other nutrients, to break the chemical bonding of tied-up mineral nutrients in the root zone.
- **PROMOTE™** improves the biological activity of the soil to improve tilth and texture.
- **PROMOTE™** improves soil water movement and holding capabilities reducing problems associated with poor soil conditions.
- **Attach hose and spray!**
